BE A FOUNDATIONAL DONOR OF THE CASA USA

You are invited to join the army of people needed to make Padre Pio's work on Earth continue.

St. Pio's friend, Dr. Sanguinetti said, *"The Casa Sollievo della Sofferenza should therefore be the first link in a great chain. It should be the model for many other innumerable Casa's with the same name and above all the same spirit, which must bring love to all of humanity. A program which would make us tremble with awe, if it was not inspired by God who is, above all, love!"*

Padre Pio understood that before the first Casa hospital was built a foundation of prayer was necessary. This second Casa has the same plan; the Adoration Chapel will be built as the foundation for the Casa USA, the School for the Relief of Suffering, and the Terri Schiavo home for the Brain Injured. Please help.
